Toronto, May 31st, 1920.

Dear Sir:

On entering your Return of Assessed Values for the year 1919 you give the Business Assessment at \$1,000 that pays school rates only. Is this included in your Real Property of \$386,530 and also in your total of \$426,479, or should it be added to each of these items? What is the nature of this \$1,000 and is it all Business and is there no Real Property in connection with the same? You also overlooked to divide the \$44,400 Exempt Property into land and buildings. This should include all schools, churches, cemeteries and Village Property.

We are herewith enclosing another blank form and will be glad if you will give the taxes imposed in dollars and cents, as in your statement received here for 1919 you only give the mills on the dollar. Kindly let us hear from you at an early date.

Yours very truly,

G. H. Luery
